

# FANTASTIC FALL FLOWER FUNDRAISER!!

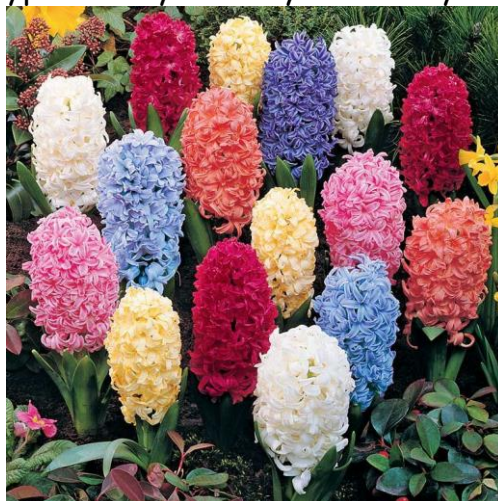

Remember how happy those first flowers of spring made you feel after the long winter? Well, most of those grew from bulbs that were planted in the fall. So even though we're finally enjoying warm weather and don't really want to think about fall coming back again, if you want those beautiful spring flowers, fall is the time to plant them! And B'nai Sholom is partnering with Flower Power and selling the bulbs as a way to raise funds!

Many beautiful options are available. Just go to our personalized website at <http://BnaiSholom.fpfundraising.com> and make your selections. Help our temple and beautify your yard! Have questions? Email Amy Sternstein at: [amysternstein@aol.com](mailto:amysternstein@aol.com).

You can get a whole spring collection all at once! 35 bulbs!

Or pick single flower types that you really like! Many varieties to choose from!

**\*\*Last day to order is October 15. Shipping begins in mid-September.\*\***
